Balins is a registered trademark of Balinler Uluslararası Tekstil Sanayi ve Ticaret A.Ş

Founded in 1964 , Balinler has taken the first place for brand positioning among the textile companies in Turkey,

And created the brand “Balinler” in production of the school uniforms.

Exporting denim and non-denim readymade garments since 1978, the Company has gained a considerable market share in Europe.

The Company has been able to be a charming brand in the textile industry with her quality and reliability through her exports entirely realized to the European countries.

He makes a noticeable contribution to the Turkish economy by her exportation supported with the annual production capacity of 2.400.000 pieces.

A woman with long dark hair, wearing a bright yellow hoodie, light blue jeans, and black boots, stands on a large industrial valve in a factory. She is leaning against a vertical pipe. The background is filled with various pipes, valves, and machinery, creating a gritty, industrial atmosphere. A blue denim jacket is draped over a piece of equipment on the right side of the frame. The lighting is dramatic, with strong highlights and deep shadows.
